25X1 7. [] Talked to Senator Stuart Symington furnishing him with the location of the town of Saveh on the map which we had furnished him. I inquired whether he had gotten all he needed from Mr. Critchfield in the briefing the other day. The Senator stated it had been a most excellent briefing and he wished that I would compliment Mr. Critchfield. He went on to state that other agencies ought to be able to furnish the same type of information rather than the "pap" he does get. He further indicated he planned to go to hearings on this Iranian matter on Tuesday.

25X1 8. [] Met with Congressman George Bush (R., Tex.) and gave him directions on how to get to the Agency for the 14 March breakfast briefing. Mr. Bush has said he is very much looking forward to this occasion and he also mentioned he had received a particularly bothersome inquiry from a constituent and that he would like to have our help in answering it. Apparently this item has already been sent to us.

25X1 9. [] Advised by Gail Johnson that Congressman Ray Blanton (D., Tenn.) would not be able to make the 14 March breakfast briefing.

25X1 11. [] Delivered to the Office of Senator Walter Mondale (D., Minn.), translation of a Japanese newspaper article in keeping with a request of Mr. Jerome Schaller, the Senator's Administrative Assistant.

25X1 12. [] Mr. Bill Bader, Consultant, Senate Foreign Relations Committee, requested that the transcript covering Mr. Helm's testimony before the Gore Disarmament Subcommittee on 3 February 1967 be delivered to the Committee by 9:00 Monday morning. Mr. Bader indicated that he had a request from two senators to review the transcript.
